STUDY GUIDE

PAKISTAN NATIONAL ASSEMBLY

Committee Focus: Economic Recovery, Fiscal Policy, and Sustainable Development

ABOUT THE COMMITTEE

The Pakistan National Assembly is the directly elected lower house of Parliament. It represents the people of Pakistan and is responsible for making laws, approving the federal budget, and holding the government accountable.

In this committee, you will debate key economic challenges facing Pakistan and propose practical solutions through legislation and policy reforms.

COMMITTEE OVERVIEW

	Committee Type National Legislature
	House National Assembly of Pakistan (Lower House)
	Primary Responsibility Legislation, Budget Approval, and Government Oversight
	Key Function Debate, Amend, and Pass Bills that Shape Pakistan's Future
	Your Objective Propose effective economic reforms that promote stability, growth, and sustainable development.

THE LEGISLATIVE PROCESS

KEY ECONOMIC CHALLENGES

-  **Inflation**
Rising prices reduce purchasing power and hurt living standards.
-  **Fiscal Deficit**
High deficits lead to increased borrowing and debt burden.
-  **IMF Conditionalities**
Compliance with IMF conditions is essential for macroeconomic stability and financial support.
-  **Public Debt**
Rising debt increases interest payments and limits fiscal space.
-  **Export Growth**
Low exports and global competition limit economic growth and job creation.

MAJOR STAKEHOLDERS

 Ministry of Finance Prepares budget and fiscal policy.	 State Bank of Pakistan Manages monetary policy and inflation.	 Federal Board of Revenue Collects taxes and broadens the tax base.	 Business Community Drives investment, employment, and innovation.	 Industrial Sector Needs reliable energy, skilled labour, and infrastructure.
 Agricultural Sector Ensures food security and rural livelihoods.	 Parliament Debates, amends, and passes laws in the national interest.	 International Financial Institutions (IMF, World Bank, ADB) Provide financial support and policy guidance.	 Civil Society Promotes transparency, accountability, and inclusive growth.	 Provincial Governments Focus on local development and fiscal autonomy.

PAKISTAN'S ECONOMY AT A GLANCE

Pakistan's economy has shown resilience despite persistent structural challenges. Sustainable growth, fiscal discipline, and reforms are essential to achieving long-term stability and prosperity.

GDP (Nominal) FY 2023–24	INFLATION (CPI) FY 2023–24	FISCAL DEFICIT FY 2023–24	PUBLIC DEBT FY 2023–24	CURRENT ACCOUNT DEFICIT FY 2023–24	TAX-TO-GDP RATIO FY 2023–24

KEY ECONOMIC CHALLENGES

-  **High Fiscal Deficits**
Large deficits lead to increased borrowing, higher interest payments, and crowding out of development spending.
-  **Inflationary Pressures**
Rising food and energy prices reduce purchasing power and hurt the poor disproportionately.
-  **Energy Sector Issues**
Circular debt, transmission losses, and high costs continue to constrain growth.
-  **External Vulnerabilities**
Dependence on imports, low exports, and volatile flows create balance of payments pressures.
-  **Unemployment & Underemployment**
High youth unemployment and informal employment limit productivity and incomes.
-  **Climate Change**
Floods, droughts, and climate shocks threaten food security and infrastructure.

TIMELINE OF IMF PROGRAMMES

- 1958**
First IMF Stand-By Arrangement
USD 37 million
- 2008–11**
Extended Fund Facility (EFF)
USD 11.3 billion
- 2013–16**
Extended Fund Facility (EFF)
USD 5.3 billion
- 2019**
Stand-By Arrangement (SBA)
USD 5.7 billion
- 2020**
Rapid Financing Instrument (RFI)
USD 1.4 billion (COVID-19)
- 2023–24**
Stand-By Arrangement (SBA)
USD 3.0 billion

 IMF support provides critical balance of payments relief but comes with policy conditions aimed at restoring stability and confidence.

HOW THE FEDERAL BUDGET IS PASSED

-  **BUDGET PRESENTATION**
The Finance Minister presents the Annual Budget in the National Assembly.
-  **GENERAL DISCUSSION**
Members debate the budget in general terms. No voting takes place.
-  **STANDING COMMITTEE REVIEW**
Budget is referred to relevant Standing Committees for detailed examination and recommendations.
-  **DEMANDS FOR GRANTS**
Ministries' spending proposals (Demands for Grants) are discussed and voted upon.
-  **APPROPRIATION BILL**
After approval of Demands, the Appropriation Bill is introduced and passed.
-  **SENATE & PRESIDENT**
The bill is sent to the Senate, and after approval, it is presented to the President for assent.
